Dear Chip & Dale,

Thank you so much for the job well done getting our house sold. After nearly 33 years in our beloved Del Cerro home, we decided to make a move for a simpler life style.

We contacted you because we knew your history of work in the neighborhood and felt you would get the job done right. We are very pleased with the results of your efforts. You gave us fair representation, got the job done expediently as well as made the whole process simple and painless.

You should be proud of your work and the results. We want you to consider us very satisfied clients. We will recommend your services to anyone thinking of making a move.

Sincerely,

Harvey & Evelyn Burden
