*Dear Chip and Dale,*

*We want you to let you know how pleased we are with the way you handled our real estate needs. We appreciate your professionalism, your friendliness, and your amazing attention to detail. The current market is so difficult, yet you were able to find the perfect buyers for both our rental units and our personal home. We are still amazed at how simple you made the entire process. We will certainly recommend you to anyone wanting to buy or sell property and we look forward to working with you again in the future.*

*Sincerely,*
